## Important Information

### Wood Colours

Most items with wooden parts contained in this brochure can be polished in various wood stain colours.

### Fabrics

All upholstered items can be supplied from a vast range of contract quality fabrics or alternatively can be made using your own material (when supplied with relevant fire certificates).

### Fire Retardancy

All furniture will be supplied to BS5852 Ignition Source Crib 5 as standard however this may be affected when furniture is made using your own material.

Elite is a family run business which has been servicing the public and private sectors throughout Britain and Southern Ireland for all their furnishing needs. Located in Glasgow and benefiting from over 55 years of experience, Elite has become renowned with quality furniture and unbeatable, knowledgeable service.

Elite supplies a broad range of seating and tables to the Educational Market, into areas such as Receptions, Classrooms, Waiting Areas, Study Areas and Laboratories. From Primary School all the way through to Universities, Elite will have a range of chairs and tables to suit you.

Elite can also manufacture and supply Beds, Furniture and Soft Furnishings to Student Accommodations no matter the size of project whether you may be looking for an individual item or a complete re fit, Elite will deliver your project on time, within budget and 100% hassle free.

Elite are always happy to tender for any projects that you may have, however big or small.

**With Elite you'll discover traditional craftsmanship combined with more contemporary styling throughout all our products.** Elite only stock the best brands at affordable prices.

At Elite we care deeply about the environment. We are continuously looking for ways to reduce our carbon foot print and are currently in the process of removing 42.5 tonnes of CO2 production from our systems over the next 2 years. We recycle most of our waste material including our sawdust which is used as flooring in paddocks for horses. Where possible we will only source our wood from sustainable forests.

# Tamperproof

Tamperproof chairs for primary, junior and secondary schools, sixth form and adult workstations for college.

These chairs are specifically designed for the education market, with only the seat height being adjustable. The variety of sizes and specification have been put together to get the right 'fit' for the correct age group.

# Academic Seating

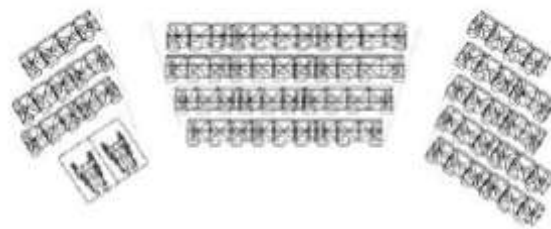

Choose either a curved or straight run of seats, a straight or sloping floor and with as many seats as you require!

A truly durable and bespoke product Academic Seating provides options that will allow you to design a lecture theatre or auditorium with style.

Seats are mounted onto metal bases for extra durability. Swivel seats allow users to 'swing' in and out of position.

The worktops, manufactured specially for each project, can be straight or curved.

A sample configuration using Academic seating.

# Tables

# Student Accommodation

Elite Furniture Contracts have worked with numerous Universities and Student Accommodation companies over the years fitting out complete turn key packages for halls of residence.

No matter what the budget or size of project, Elite will have a range of furnishings including, furniture, beds, upholstery, curtains, blinds and flooring which are suitable for the Student lifestyle.

Elite can also reupholster any existing sofas or chairs which on most occasions can be more cost effective than buying new seating.

On this page you will find just a selection of products that Elite can offer.

## The Consort Range

When budget is tight but quality is not to be sacrificed, the Consort Range is ideal.

Available in no fewer than 5 colours, all with matching interiors, Consort bedroom furniture is built to a standard normally applicable to much more expensive ranges. All units come fully assembled and are constructed from easy clean melamine board with 25mm thick square tops edged in 2 or 3mm PVC lippings as standard.

## The Neptune Divan Set

Manufactured by Elite, the Neptune is a hard wearing, 100% breathable water-proof mattress which can either come on fixed leg or divan. The Neptune Divan Set meets with BS7177: 1996 and is fire resistant to BS EN597-1 (Cigarette), BS EN597-2 (Match) and CRIB 5 - BS6807

## The Easi-Chair

The Easi-Chair range was developed for halls of residence within universities. Available with or without arms, Easi-Chair is supplied with a silver frame as standard however black and gold frames are also available as options.
